Nitrile Rubber Liners

INDICATIVE PRICE

INR 1,400

per piece, ex-works Nashik

MINIMUM ORDER

50 Piece

MATERIALS

Nitrile (NBR), EPDM, Neoprene (CR)

DESCRIPTION

These are manufactured out of Minimum Compression Set, Oil resistance and Atmospheric resistance rubber having High Tensile and abrasive resistance properties.

SPECIFICATION

Material	Neoprene/Nitrile/Epdm Rubber	Thickness	20/25/35mm
Size	70Wx65Wx500L	Color	black
Application	For Rope Way	Max Hardness	85/90 Shore A
Min Temperature	10DegC	Packaging Type	10nos

MADE TO YOUR DRAWING

Every dimension, hardness and compound above can be changed to suit your assembly. Dies are cut in-house, so a first sample takes days rather than weeks.
